EDUCATION

Universal College Of Engineering, Mumbai University   2021 -
B.E in Data Engineering with Honors in Cyber security – CGPA : 8.1.   2024
Viva College of Diploma Engineering Technology Diploma in Computer   2019 -
Engineering – percentage : 84   2021

EXPERIENCE

Leveledge Technologies (Full-Stack Developer Intern)   August 2024 - Sep 2024

- Developed full-stack applications and implemented RESTful APIs with CRUD operations.

- Built responsive UIs and collaborated on front-end and back-end development.

- Contributed to database management and system optimization.

SKILLS

Technical Skills	JavaScript , Python , HTML, CSS , Tailwind CSS, SQL, MySQL , Mongodb
FrameWorks	React.js , Node.js ,Express.js, WordPress
Developer Tools	Git , GitHub ,Visual Studio editor , Android Studio,Pycharm
Other Skills	web development, MERN stack, communication, problem-solving,Databases.

PROJECTS

Task Management System (TechStack: MERN Stack).

- **Developed** a full-stack task management application with **JWT-based user authentication** for secure login and signup.

- **Implemented** task **creation, deletion, updating, and viewing**, with tasks displayed in a card format.

- **Integrated** email notifications using **Nodemailer** to welcome new users upon registration.

Plant Leaf Disease Detection (TechStack : Python , Flask)

- Developed a plant leaf detection application to classify **healthy and unhealthy** plants using a **CNN model**.

- Utilized a detailed plant dataset along with **NumPy, Pandas, and Matplotlib** for data processing and visualization.

Dual-portal healthcare management (TechStack: MERN Stack).

- **Dual-portal** healthcare management system with **role-based authentication**, enabling **Receptionists** to manage patient records (CRUD) and **Doctors** to access data visualization and analytics.

Speech-to-Text Converter. (TechStack : React.js, SpeechRecognition API, react-use-clipboard)

- Developed a speech-to-text converter application using **ReactJS**, featuring **real-time speech recognition** and **copy to clipboard** functionality.

- Included user-friendly buttons for **starting, stopping, and resetting** transcription.

CERTIFICATIONS

- AWS Academy Graduates -AWS Academy Introduction to Cloud

- Info Sec Developer Mobile Application Development

- Python Programming Language in Data Camp
